Basque in the Glory Tour 2024

- The Northern Camino de Santiago -

Basque in the Glory Tour 2024

11 days & 10 nights: 95 km of the Northern Camino

Over 1,000 years ago, the original way to Santiago wove along the Northern Coast, passing through the fabled Basque Country. Come with us and discover this mysterious corner of the Iberian Peninsula known for its proud people and marked contrasts. A culture that has always been tied to the land, we get a closer look of the Basques as we stroll their lush rolling hills, wander their imposing mountains, and skirt the tides of their rocky coves. We'll get a glimpse of sophisticated cosmopolitan centers and centuries-removed hamlets. Taste their full-flavored cheeses, freshly caught seafood, and crisp subtle wine and you'll soon feel like the King of Navarre!

Day 1: Bilbao – Old town

In the afternoon, we meet our group in Bilbao, the one-time industrial powerhouse which is currently undergoing its own Renaissance. Your Fresco Tour guide will meet you for introductions and your Orientation Meeting. Afterwards, our local art historian takes us on a guided visit of the internationally acclaimed Guggenheim Museum. Frank Gehry's titanium masterpiece evokes images of a flower and a ship – you decide what comes to mind! Next,

we will take you for a stroll to discover the charm of Bilbao's Old Quarter - the city's medieval enclave. Travel back in time to the 6th century and visit ancient landmarks like the Cathedral of Santiago and Plaza Nueva. Admire the sacred beauty of the Church of San Antón, wander the site of the Mercado de la Ribera. We finish our evening with a lovely dinner.

Accommodation: Bilbao (D)

Day 2: Bilbao & Hondarribia

After breakfast, we hop in the van and stop for a visit at the Chillida Leku Museum, home to the beautiful garden and country house that display sculptor Eduardo Chillida's impressive sculptures. Later, we make our way to the pleasant fishing village of Hondarribia, where pilgrims arrived by boat and began their pilgrimage to Santiago over 1,000 years ago! We stretch our legs and take our first steps on the Northern Camino de Santiago with a good climb to the Sanctuary of Guadalupe. We finish our day in the old quarter of town, where medieval walls have protected the villa for centuries.

Accommodation: Hondarribia (B, L, D) / Walking: 4 km or 2.5 mi

Day 3: Sanctuary de Guadalupe to Pasajes San Juan

Starting from Guadalupe, the yellow arrows take us a bit higher as we cross along the mountain of Jaizkibel enjoying the views of the beaches and sea below! After strolling the ridge, we work our way down to the port of Pasajes de San Juan, decorated with small fishing boats of another time. After a *zurito* (small glass of beer), we return to Hondarribia, where we enjoy a fine meal of Basque cuisine.

Accommodation: Hondarribia (B, L, D) / Walking: 12 km or 7.5 mi

Day 4: Pasajes San Juan to San Sebastián

This morning, we return to Pasajes de San Juan and cross over to San Pedro on the other side of the port like the pilgrims did a thousand years ago – via boat! We then work our way past large *caseríos*, old stone Basque farmhouses, and are soon greeted by the stylish resort town of San Sebastián, a place that has long been popular with the Spanish bourgeois. Here the beauty of La Concha Beach makes it a wonderful place for an afternoon stroll.

Accommodation: San Sebastián (B, L, D) / Walking: 11 km or 7 mi

Day 5: San Sebastián to Orío

With boots on, we leave San Sebastián to ascend Monte Igeldo and stop to enjoy the views of the bay below. The rocky coast of the Basque Country has us going up and down hills and through small hamlets. The many flocks of sheep remind us that the Basques are not just men of the sea, but also pretty good shepherds! With the sea to our right keeping us company, we quickly make our way to the fishing port of Orío. Here we regroup and return for another evening in San Sebastián.

Accommodation: San Sebastián (B, L) / Walking: 15 km or 9.5 mi

Day 6: Orío to Zumaia

Returning to Orío, we pass through Zarautz and continue along the seaside walkway to Getaria, whose famous sailing son, Juan Sebastián Elcano, was the first to sail around the world. We follow the Northern Camino de Santiago passing the local vineyards of txakoli, the local white wine, until we reach the village of Zumaia, a Basque port famous for its whaling and now its shipbuilding.

Day 7: Zumaia to Deba

Our day begins on the beach in the Basque Coast Geopark, where we'll see 60 million years of history written in the rock formations of Zumaia. On today's walk we alternate between cliffside paths, rolling green farmland and views of the blue sea. Greet a local with *Kaixo* - Basque for hello - and watch them warm right up! Our day on the trail ends in Deba, where we will admire the stunning Gothic Church of Santa María. Afterwards, we prepare for a Basque meal that you won't forget!

Accommodation: Getaria (B, D) / Walking: 13 km or 8 mi

Day 8: Markina to Zenarruza Monastery

This morning, we head inland to visit the Basilica of Saint Ignacio of Loyola nestled in the mountains of the Basque Country. Here, we visit the birthplace of the founder of the Society of Jesus and learn about his life and his impact on the world! After lunch, we return to the yellow arrows of the Camino and get some kilometers in before finishing up the day. Our walk ends at the medieval Monastery of Zenarruza, which still offers accommodation and hospitality to pilgrims.

Accommodation: Guernica (B, L, D) / Walking: 9 km or 5.5 mi

Day 9: Zenarruza Monastery to Guernica

After a lighter day in the boots, we finish our Northern Camino de Santiago with a hike into Guernica through the stunning Basque countryside. Guernica is a name made famous around the world by Pablo Picasso's dramatic anti-war painting of the bombing of the town during the Spanish Civil War. In the Middle Ages, the Lords of Biscay would meet in Guernica under a giant oak tree to celebrate their *fueros* – self-governing laws that granted the Basques their autonomous rule. We will have a chance to admire the Assembly's Gardens of Peace, the oak tree and possibly even a recreation of the bombing of the city.

Accommodation: Guernica (B, L, D) / Walking: 18 km or 11 mi

This morning after breakfast, we head to Punta Galea for our last walk of the tour. La Galea is a walk along the coast of Getxo, where you can enjoy the best bird's eye view of El Abra Port. Very similar to the famous white cliffs of Normandy in France and Dover in England, this recreational area for locals and visitors alike offers extensive natural spaces to enjoy nature. Our

walk ends by crossing the impressive Biscay Bridge (Puente Colgante) as other hotel is on the other side of the estuary. This 125-year-old structure links both sides of the estuary and was declared a heritage monument by the UNESCO World Heritage Committee. Afterwards, enjoy a fantastic farewell dinner feast where we will say *Agur!*, which we know means goodbye in Basque.
